What to Expect

Relax in this stunning Grade II listed building in St James’s Square, the secluded courtyard is a sheer delight for summer al fresco fun. This private members club has a historic and illustrious past which provides the perfect setting for a summer celebration, come rain or shine.

Leading from the Inner Hall over the bridge, the courtyard is enclosed by 18th century buildings, a coach house and is blessed with welcome shade from two majestic London Plane trees. Dressed with bay and olive trees, stunning statues and colourful planters, this idyllic setting in the heart of Mayfair is perfect for a stylish and sophisticated summer party for up to 220 guests.
Food is our passion. Our chefs have created menus that will be a feast for all the senses, they capture the imagination and excite taste buds. Choose from interactive food stalls, a barbeque enhanced by the theatre of the chefs, or a more definitive bowl food soiree.

The quality of our dishes is matched by our service: personal, immaculate, professional. Our expert sommeliers pair menus with the finest wines and delectable cocktails.
